

Located in The Mariscal, emblematic sector of Quito for its history, architecture and culture.

CASA JOAQUÍN

INTRODUCTION

Casa Joaquin stands out for its concept of history and modernity as a space with potential for development as an investment opportunity.

The location sector is one of the most important at tourist level of the city for its considerable concentration of supply and tourist products, large influx of visitors and commercial activities.

It offers comfort, culture, urban environment, heritage, varied activities and strategic location, characteristics that make this place the perfect space.

DESCRIPTION

The Mariscal, besides being a tourist area, is one of the commercial points of the city, a colorful meeting place for locals and foreigners.

In this sector is for sale the heritage infrastructure that currently houses a hotel complex dating back to 1950 completely restored.

It has a construction area of 543.20 m², positioned as one of the best in the Metropolitan District of Quito.

It is currently distributed in 14 comfortable rooms with equipment, terraces, commercial areas and complete operational services and in perfect condition.

The perfect plan to invest and enjoy leisure, tradition and countless activities.
